

KIMI'S CREATOR CHALLENGE GUIDELINES AND INFORMATION

Everything you need to know, how to participate, dos and don'ts and all the important details of Kimi's Creator Challenge.

Participating is easy

To be part of Kimi's Creator Challenge, simply use the included templates of Kimi's shoe model, provided by Sparco, to create your own unique design. Make use of all provided views to allow for a 360° impression and viability check.

Upload your creative work here on the website in any commonly used image formats, i.e. JPG, PNG or PDF.

The closing date for entries is June 1st 2021 at midnight CET.

You have to include your full name and e-mail address with your submission.

The great prize

The winner will get a ConceptD 300 Desktop PC and a ConceptD CP Series Monitor.

How the winner is determined

This competition is comprised of 2 rounds.

First, there will be an online voting mechanism to determine the 3 finalists of the competition.

Voting will be open to anyone, so invite all your friends to cast their vote for your entry.

Secondly, the winner of the competition will be determined by an expert jury among the 3 finalists.

Dos and Don'ts

Feel free to create your best idea, but:

- Do not infringe the copyright, trademark, intellectual property or rights of others
- Do not use images or depictions that are discriminatory, defamatory, obscene, threatening, abusive, or hateful
- Do not remove or modify any Sparco logos and the homologation label on the padded tongue
- Do not use fluorescent colours
